MACKMYRA SPECIAL:07

Mackmyra Special is a drink for special occasions and special people. For you who have found the Swedish malt whisky and wants to experience its nuances. For you who live life less ordinary.

Mackmyra Special:07 is a complex whisky with salty notes of both autumn and sea; a berry, smoky and spicy character. A blend of our recipes Smoke and Elegant has been matured in several different cask types from 30 to 200 litres. It has finished on casks that have been saturated with cloudberry wine.

The nose is prominently spicy and smoky with a complex palette of fruity and berry scents. A delicious berry note with fresh acidity, prominent saltiness, and cloudberrries with spicy Swedish oak, peat and juniper smoke, fudge and honey. The palate is smoky, spicy and fruity with juniper, peat, butterscotch and dried fruit. The aftertaste is spicy, slightly smoky, salty and fruity.

Mackmyra Whisky is the new generation of Swedish whisky, made in our own way, using Swedish ingredients without additives. Small casks of 30 and 100 liters create an intense maturation while the Swedish oak contributes prominent spice as we store our whisky in a constant temperature, 50 meters deep into the ground in the Bodås mine.
