VINTERTRÄDGÅRD

AN EXPLOSION OF FLAVOURS
WITH SWEDISH OAK AND SWEDISH
BERRIES

Vinterträdgård is a spicy and rich Swedish malt whisky with intense fruity cask notes in a very limited edition. It's character comes from Mackmyra's elegant recipe, finished on casks which previously stored raspberry wine and wine made from lingonberries and blueberries. Part of the whisky has been matured in Mackmyra's own combination casks with body made from ex-bourbon, and bottoms made from Swedish oak.

The nose is intensely fruity and spicy with aromas from berries, dried and candied fruit and rich oak. The palate is fruity, spicy and rich with butterscotch, dried fruit and vanilla oak. The texture is rich with a spicy and dry aftertaste.

Moment Vinterträdgård has been matured in the Bodås mine and was put in casks from 2004 to 2007. Enjoy an explosion of flavours in this colourful whisky.
