MACKMYRA SPECIAL:08

*Mackmyra Special is a drink for special occasions and special people. For you who have found the Swedish malt whisky and wants to experience its nuances. For you who live life less ordinary.*

Mackmyra Special:08 is a delicious, spicy, Swedish malt whisky with a floral and fruity character. This whisky is made from our Elegant recipe that has been matured on a mix of bourbon casks, sherry casks and casks made of new Swedish and American oak and finished on French Sauternes cask.

The nose is slightly spicy and herbal, fruity and floral with notes of honey, ripe pears and raisin together with a soft roasted cask character, notes of butterscotch and nuts with a delicious spicy oakiness. The palate is fruity, spicy and soft. The aftertaste is long, fruity and spicy with light notes of soft oak and butterscotch.

*Mackmyra Whisky is the new generation of Swedish whisky, made in our own way, using Swedish ingredients without additives. Small casks of 30 and 100 liters create an intense maturation while the Swedish oak contributes prominent spice as we store our whisky in a constant temperature, 50 meters deep into the ground in the Bodås mine.*
