WHISKY AND HONEY LIQUEUR  
MADE FROM PURE SWEDISH  
INGREDIENTS

Bee is a Swedish liqueur with whisky and honey, made from Swedish whisky, malt vodka and organic honey. The honey is produced in the surroundings of Gävle and Valbo, mainly from dandelion, linden and forest flowers with hints of raspberry.

The colour is an amber yellow and the nose is fruity, berry and complex with notes of honey, cask wood, vanilla and coffee. The palate is delicious and honey sweet with aromas of demerara sugar, vanilla and butterscotch with light cask notes in the background. The aftertaste is slightly honey sweet with notes of almond, coffee and citrus.

The ABV is set to a tasteful 22 percent, to perfectly balance the mild notes of honey. Enjoy Bee as a chilled avec or as a sweet finish to a nice dinner.
